THE RECORD BREAKING NEW NASH "400"

"400" Standard Six 1-Door Sedan

Ask the Salesman this Question:

EVERY prospective motor car pur-chaser should ask every salesman he talks to, this question: "What is the price of this car, delivered to me, fully equipped with all the equipment?" You should also ask what the differ-

ence is between the factory (f. o. b.) price and the delivered price—and then ask what that difference buys. Heretofore it has been customary for factory prices to cover only the bare car. This permits the dealer to sell you

your bumpers and the other accessories, at retail prices.

Nash, in introducing the new "400" 10 Sedans from \$1071 to \$2451, delivered. 8 Coupes, Cabriolets, Victorias from

Series, pioneered a new practice, by installing this extra equipment at the factory, at no extra cost to you.

When you ask the suggested question you'll find most salesmen (not Nash salesmen) reluctant to answer. They would rather not say how much more there is to pay, or what the extra money buys.

And you'll also find that by reason of the Nash policy, Nash "400" delivered, fully-equipped prices are much lower than those of many other cars with the same factory (f. o. b.) prices, and lower than some cars with even lower factory (f. o. b.) prices.

\$1966 to \$2023, delivered. The New NASH 400

Quality is the Keynote of what People Say about Plymouth

WHEN people discuss Plymouth, quality is invariably the keynote of their conversation.

They say most complimentary things about its Chrysler smartness, its charm, its slender-profile radiator, its graceful "air-wing" fenders, its arched windows, its chromium-plate bowl-type lamps.

They comment highly on Plymouth's full-size dimensions, its richness and spaciousness, its wide, deep seats, its exceptional leg-room.

PLYMOUTH has been so and strength, ruggedness and free-dom from limitations so accurately typify that Pilgrim band who were among the first American Colonists.

\$655

They refer glowingly to the powerful performance of Plymouth's 45 h. p. engine, of Chrysler "Silver-Dome" principle-its speed, its pick-up, its ability on hills, its smoothness, its quietness.

They speak of Plymouth's safetyof its full-size Chrysler weatherproof 4 wheel hydraulic brakes, its rugged full-size chassis; springs and axles. They praise Plymouth's amazing economy in fuel, oil and upkeep.

After all, it is only natural that people should talk more about Plymouth's fine qualities than they do about its low price - for Plymouth is, first and last, a motor car of intrinsic quality and value

Coupe, \$655; Roaditer (with rumble seat), \$675; 2-Door Sedan, \$675; Touring, \$695; De Luxe Coupe (with rumble seat), \$695; 4-Door Sedan, \$695. All prices f. o. b. factory. Plymouth dealers are in a position to extend the convenience of time payments.
